NVOCC NRA means the written and binding arrangement between an NRA shipper or consignee and eligible NVOCC to provide specific transportation service for a stated cargo quantity, from origin to destination on and after receipt of the cargo by the Carrier or its agent (originating carrier in the case of through Transportation). Carrier may issue written quotations, booking confirmations, e-mail communications and other writings with applicable rates and charges for the shipments subject of the NRA, and shipper must provide the Carrier with a signed agreement, or send carrier a written communication, including an email, indicating acceptance of the NRA terms, or book a shipment after receiving the NRA terms from the Carrier. **NOTE: "THE SHIPPER'S BOOKING OF CARGO AFTER RECEIVING THE TERMS OF THIS NRA OR NRA AMENDMENT CONSTITUTES ACCEPTANCE OF THE RATES AND TERMS OF THIS NRA OR NRA AMENDMENT."** The terms contained in the NRA writings shall be a valid offer for 30 days (or a date agreed to by the parties) from the booking date, unless otherwise rescinded by the Carrier prior to receiving Shipper's cargo. Carrier's or Carrier's agent's receipt of cargo for the shipment constitutes final acceptance by Shipper or Consignee of the NRA offer, and the terms of the NRA shall bind the parties. All applicable origin and destination local terminal and/or port charges shall be for the account of the cargo. The NRA may be amended after the time the initial shipment is received by the NVOCC, but such changes may only apply prospectively to shipments not yet received by the NVOCC. For any pass-through charge for which a specific amount is not included in the NRA or the rules tariff, the NVOCC may invoice the shipper for charges the NVOCC incurs, with no markup. The NRA may list the additional surcharges or assessorial charges, including pass-through charges, or reference specific surcharges or assessorial charges in the NVOCC's rules tariff.

 Rule 2A: Application of NRAs and Charges

Effective: 15AUG2019

Expire Date: NONE

Published: 15AUG2019

1. NRAs are stated in terms of U.S. Currency and or local currencies, as applicable, and apply per 1 Cubic Meter (M) or 1,000 Kilos (W), as indicated, whichever basis yields the greater revenue, except as otherwise specified. Where the word “Weight” or the letter “W” appears next to an article or commodity, weight rates are applicable without regard to

measurement. Where the word "Measurement" or the letter "M" appears next to an article or commodity, measurement rates are applicable without regard to weight.

NRAs and other charges shall be based on the actual gross weight and/or overall measurement of each piece or package, except as otherwise provided and agreed.

NRAs indicated by W/M or WM are optional weight or measurement rates and the rate yielding the greater revenue will be charged.

2. Except as otherwise provided, all "Port" (i.e., Port-to-Port) rules published herein apply from/to places where the common carrier originates or terminates its actual ocean carriage of cargo. Tolls, Wharfage, Cost of Landing, and all other expenses beyond the port terminal area are for account of Owner, Shipper or Consignee of the cargo and all such expenses levied in the first instance against the Carrier will be billed in an equal amount to the Owner, Shipper or Consignee of the Cargo.

NRAs are applicable from Inland Points which lie beyond port terminal areas. Such NRAs will be shown as single-factor through NRAs.

Unless otherwise agreed to, such NRAs shall be inclusive of all charges pertinent to the transportation of cargo and not including Customs clearance assessments or Forwarding Charges, except as provided.

Alternatively, at shipper's or consignee's request, carrier will arrange for inland transportation as shipper's or consignee's agent. All associated costs will be for the account of the cargo. Overland carriers will be utilized on an availability of service basis and not restricted to any preferred Carriers, except as Ocean Carrier deems necessary to guarantee safe and efficient movement of said cargo. (See item 16, re: Advanced Charges.)

Carrier shall not be obligated to transport the goods in any particular type of container or by any particular Vessel, Train, Motor, Barge or Air Carrier, or in time for any particular market or otherwise than with reasonable dispatch. Selection of Water Carriers, Railways, Motor, Barge or Air Carrier used for all or any portion of the transportation of the goods shall be within the sole discretion of the Ocean Carrier.

3. Packages containing articles of more than one description shall be rated on the basis of the NRA provided for the highest rated articles contained therein.

4. NRAs do not include Marine Insurance or Consular fees.

5. Description of commodities shall be uniform on all copies of the Bill of Lading and MUST be in conformity with the validated United States Export Declaration covering the shipment. Carrier must verify the Bill of Lading description with the validated United States Export Declaration. Shipper amendments in the description of the goods will only be accepted if validated by United States Customs. Trade names are not acceptable commodity descriptions and shippers are required to declare their commodity by its generally accepted generic or common name.

6. Unless otherwise specified, when the NRAs are based on the value of the commodity, such commodity value will be the F.O.B. or F.A.S. value at the port of loading as indicated on the Commercial Invoice, the Custom Entry, the Import/Export Declaration or the Shipper's Certificate of Origin. The F.O.B. value and the F.A.S. value include all expenses up to delivery at the Loading Port.

7. The NRA shown except where predicated on specifically lower values or on an ad valorem basis, are subject to Bill of Lading limit of value.

8. Except as otherwise provided, NRAs apply only to the specific commodity named and cannot be applied to analogous articles.

9. FORCE MAJEURE CLAUSE: "Without prejudice to any rights or privileges of the Carrier's under covering Bills of Lading, dock receipts, or booking contracts or under applicable provisions of law, in the event of war, hostilities, warlike operations, natural disasters, embargoes, blockades, port congestion, strikes or labor disturbances, regulations of any governmental authority pertaining thereto or any other official interferences with commercial intercourse arising from the above conditions and affecting the Carrier's operations, the Carrier reserves the right to cancel any outstanding booking or contract in conformity with Federal Maritime Commission Regulations."

10. Any Tollage, Wharfage, Handling and/or other charges assessed against the cargo at Ports of Loading/Discharge will be for the account of the cargo. Any Tollage, Wharfage, Handling and/or Charges at Port of Loading in connection with storage, handling and receipt of cargo before loading on the vessel shall be for the account of the cargo.

1. All packages will be measured in CENTIMETRES and weight in KILOGRAMMES.

2. Rounding off- Dimensions

Where parts of centimeter occur in dimensions, such parts below 0.5 cm. are to be ignored, and those of 0.5 cm. and over are to be rounded off to the centimeter above.

3. Calculating Cubic Measurements

The three dimensions in centimeters (rounded off in accordance with (2)) are to be multiplied together to produce the cube of one package or piece in cubic meters to six decimals.

In case of a single package the decimals are to be rounded off at the second decimal, i.e., if the third decimal is below 5 the second decimal remains unaltered; if the third decimal is 5 or higher the second decimal is to be adjusted upwards.

In the case of multiple packages of like dimensions, the cube on one package to six decimals is to be multiplied by the number of packages and the total cube is then to be rounded off to two decimals under the foregoing procedure.

4. OFFICIAL MEASURERS AND WEIGHERS

The straight loaded shipments of consolidator Cargo, stuffed at Carrier's nominated off dock CY locations, does not require measuring/weighing for purposes of confirming volume/weight of cargo. For such shipments, however, there must be a certificate from an officially appointed Sworn Measurer to confirm the exact location at which the shipment was stuffed into the container.

5. MISDESCRIPTION, UNDERWEIGHTS AND UNDERMEASUREMENT

A. The carrier at loading port will assess freight on the shipments on the basis of the gross weights and/or measurements declared or deemed to have been declared by Shippers. Such assessment is subject to the terms and conditions of the carrier's Bill of Lading. Notwithstanding the foregoing Carrier may arrange at the port/point of destination for the verification of the description, measurement or weights of all such shipments as they, at their sole discretion, may decide and in all such cases the description, measurements or weights so obtained shall be used for determining the correct amount of freight which has to be paid and expense incurred should be for account of cargo.

B. If the gross weights and/or measurements declared by the Shippers are less than those ascertained and if the Shippers, by notification to the Carrier, within seven (7) days of the vessels sailing from port of loading or the consignees, by notification to the Carrier prior to the shipment leaving the custody of the Carrier, maintain that the gross weights and/or measurements stated by them are correct, freight shall be assessed provisionally on the controllers' figures and subsequently adjusted, if necessary, after an outturn reweighing and/or re-measuring. If such outturn re-weighing, re-measuring and/or resurveying shows that the gross weights, measurements and/or description were understated and/or misdeclared by the Shippers, re-measuring and/or resurveying shall be for the account of the cargo.

Effective: 15AUG2019

Expire Date: NONE

Published: 15AUG2019

A request for diversion of a shipment will be considered as an amendment to the contract of carriage and will be subject to the following definitions, conditions and charges:

A. Definition of Diversion:

Any change in the original billed destination (which may also include a change in Consignee, order party, or both). A change in Consignee, order party or both will not be considered as diversion of cargo.

B. Conditions:

1. Requests must be received in writing by the carrier prior to the arrival of the vessel at Discharge Port. Carrier will make diligent effort to execute the request but will not be responsible if such service is operationally impractical or cannot be provided.
2. Cargo moving under a non-negotiable Bill of Lading may be diverted at the request of shipper or consignee. Cargo moving under a negotiable Bill of Lading may be diverted by any party surrendering the properly endorsed original Bill of Lading. Cargo moving under a negotiable Bill of Lading may also be diverted by the shipper or consignee at the carrier's sole discretion without receipt by the carrier of the original negotiable Bill of Lading so long as a new negotiable Bill of Lading is not requested or issued by the carrier. If a new negotiable Bill of Lading is requested by the shipper or consignee, the original negotiable Bill of Lading must be surrendered to the carrier prior to issuance of the new negotiable Bill of Lading.
3. This rule will apply to full Bill of Lading quantities or full container loads only.
4. A shipment may only be diverted once. Shipper may request cancellation of the original diversion request, resulting in delivery of the cargo to the original billed destination, provided that such request is received prior to arrival of vessel at Discharge Port, and provided that all diversion charges as set out in C. below, applicable to the original diversion request, are paid in full prior to the cancellation request being accepted by the carrier. In no instance will any refund of the diversion charges be made in the event of a cancellation. Any additional expenses incurred by the carrier will be for the account of the cargo.
5. Cargo, which, upon request of Merchant (stowage permitting), is diverted to a Port of Discharge within the Scope of this Tariff other than that shown in the Bill of Lading, shall be assessed the actual amount of expense incurred by Carrier, or as per carrier tariff at time of shipment, whichever is higher, plus, at the sole discretion of the Carrier, depending on the relevant administrative burdens resulting from the diversion, an administrative fee of up to \$50/BL for cargo received and diversion requested prior to vessel departure, or up to \$300/BL for cargo received and diversion requested post vessel departure, from origin port.
6. Diversion charges or administrative charge are payable by the party requesting the diversion.

FMC ORG. NO. 024511	LF LOGISTICS (CHINA) CO., LTD. NRA RULES TARIFF NO. 024511-001 -Between (US and World) AMENDMENT NO. 0
Rule 2-170:	Submission of Cargo Declaration Data

Effective: 15AUG2019 **Expire Date: NONE** **Published: 15AUG2019**

A. SUBMISSION OF CARGO DECLARATION DATA; DEADLINE FOR SAME.

Pursuant to Customs regulations effective December 2, 2002, Carrier is required to submit certain cargo declaration data for all cargo on board a vessel that will call in the United States (i.e., U.S. import cargo and foreign destination cargo remaining on board the vessel) to the U.S. Customs Service not later than 24 hours prior to the time the cargo is loaded on Carrier's vessel at each non-U.S. port of loading. In order to enable Carrier to comply with this requirement, except as provided in paragraph B of this rule, any person tendering cargo to Carrier that is to be transported to the United States or that will be on a vessel when that vessel calls in the United States must provide the following information regarding such cargo to Carrier in writing (including by electronic transmission) in sufficient time for Carrier to transmit the data to the Customs Service at least 24 hours prior to the loading of the cargo on Carrier's vessel. Failure to comply with these requirements will result in cargo not being loaded.

1. A precise description of the cargo (or the 6-digit HTS number under which cargo is classified) and weight of the cargo or, for a sealed container, the shipper's declared description and weight of the cargo. The quantity of cargo shall be expressed in the lowest external packaging unit (e.g., a container containing 10 pallets with 200 cases shall be described

as 200 cases). Generic descriptions, including, but not limited to, 'FAK,' 'General Cargo,' 'Chemicals,' 'Foodstuffs,' and terms such as 'Said to Contain' are NOT acceptable descriptions.

2. Shipper's complete name and address, or the identification number issued to the shipper by the U.S. Customs Service upon implementation of the Automated Commercial Environment ('ACE').
3. Complete name and address of the consignee, owner or owner's representative, or its ACE identification number.
4. Internationally recognized hazardous material code when such materials are being shipped.
5. Seal numbers for all seals affixed to the container.

B. TIME FOR SUBMISSION OF DATA BY SHIPPERS TO CARRIER.

Except as otherwise provided below, the time for shipper to submit data to Carrier shall be as follows:

1. Shippers who submit their shipping instructions in paper format will be required to submit their shipping instructions to Carrier no later than seventy-two (72) hours prior to vessel arrival at the foreign port of load. This applies to all U.S. destined cargo as well as cargo intended to be transshipped at a U.S. port and cargo that will remain on the vessel for carriage to a non-U.S. port.

C. CERTAIN NON-VESSEL OPERATING COMMON CARRIERS.

Non-vessel operating common carriers ('NVOCCs') that are licensed by or registered with the FMC and that have obtained Customs bonds may submit the required inbound cargo declaration data directly to the U.S. Customs Service in accordance with Customs Service regulations and guidelines. For purposes of this provision, an NVOCC is registered with the FMC if it has been issued an Organization Number by the FMC, has published a valid and effective rules tariff, and has posted the required financial security with the FMC.

1. Certification. Any NVOCC that submits cargo declaration information directly to the Customs Service shall, unless notified by the Carrier pursuant to subparagraph C(1) above that it is not required to do so, in lieu of the information required to be submitted pursuant to paragraph A of this rule, provide the Carrier, not later than the deadline for shipper submission of cargo information under paragraph B of this rule, with a written certification stating that the required inbound cargo declaration data for its cargo has been transmitted to the U.S. Customs Service in a timely and accurate manner. Such certification shall describe the cargo tendered with sufficient specificity (including container number) that Carrier may readily identify such cargo.
2. NVOCC Co-Loading. For purposes of this paragraph, the term 'Master NVOCC' shall mean the NVOCC that is the customer of the Carrier and tenders co-loaded cargo to the Carrier in its name. In the event the Master NVOCC submits cargo declaration data for co-loaded cargo directly to the Customs Service, it shall do so for all NVOCCs with which it co-loads. In the event the Master NVOCC does not submit cargo declaration data for co-loaded cargo directly to the Customs Service but NVOCCs with which it co-loads transmit cargo declaration data for their cargoes directly to the Customs Service, it shall be the obligation of the Master NVOCC to provide Carrier with the certification described in subparagraph C (1) with respect to all co-loaded cargo tendered to Carrier by the Master NVOCC.
3. All NVOCCs shall be subject to Paragraphs D and E of this rule.

D. FAILURE TO PROVIDE INFORMATION; DENIAL OF PERMISSION TO LOAD CARGO.

1. In the event Carrier fails to provide the required inbound cargo declaration data to the U.S. Customs Service for all cargo to be loaded on its vessel within the time period required by Customs Service regulations it may, among other things, be assessed a civil penalty, denied permission to unload the cargo for which information was not timely provided, and/or denied permission to unload any cargo from the vessel on which the cargo is moving. Accordingly, Carrier may refuse to load any cargo tendered to it for which it has not received either (i) the data required by paragraph A of this rule by the deadline specified pursuant to paragraph B; or (ii) the certification required by paragraph C of this rule by the deadline specified therein.
2. Any and all costs incurred by Carrier with respect to cargo in its possession which is not loaded due to the non-provision of information or certification, or which is not loaded pursuant to the instructions of the U.S. Customs Service (regardless of whether or not the required data or certification has been provided for such cargo), including but not limited to inspection, storage and/or re-delivery costs, shall be for the account of the cargo. Carrier shall have a lien on cargo in its possession for amounts due hereunder and may hold cargo until such amounts (and any other unpaid freights or charges) are paid or sell such cargo after a reasonable period. In the event Carrier is forced to take legal action to collect amounts due hereunder, Carrier shall be entitled to recover all costs (including reasonable attorneys' fees and expenses) incurred in connection with such legal action.

E. INDEMNIFICATION OF CARRIER.

If Carrier is assessed a civil penalty or fine or is denied permission to unload cargo, because of the failure of any and all shippers, consignees, cargo owners, NVOCCs, shippers' associations and their agent(s) to provide the information required by this rule and/or by the regulations or guidelines of the U.S. Customs Service in a complete and accurate manner, then such shippers, consignees, cargo owners, NVOCCs, shippers' associations and their agent(s) shall be jointly

and severally liable to indemnify and reimburse Carrier for any such penalty or fine and any and all costs, damages or liability, direct, indirect, special or consequential, incurred by the Carrier as a result of the denial of permission to unload cargo or any delays related thereto. Carrier shall have a lien on cargo in its possession for amounts due hereunder and may hold cargo until such amounts (and any other unpaid freights or charges) are paid or sell such cargo after a reasonable period. In the event Carrier is forced to take legal action to collect amounts due hereunder, Carrier shall be entitled to recover all costs (including attorneys' fees) incurred in connection with such legal action.

F. CONFIDENTIALITY. Carrier acknowledges that the information required by the Customs Service may constitute confidential information that is not generally available to the public. Carrier, in accordance with the requirements of Section 10(b)(13) of the Shipping Act of 1984, as amended, will keep confidential, to the extent permitted by law, all Shipper bill of lading information, including information related to underlying shippers and commodities in respect of containers of less than container load cargo containing shipments by more than one Shipper.

G. DOCUMENTATION CHARGES. See Rule Nos. 2-150 for charges to apply.

COMBINED TRANSPORT BILL OF LADING

Notwithstanding the heading "Combined Transport Bill of Lading," the provisions set out and referred to in this document shall also apply if the transport as described on the face of the Bill of Lading is performed by one mode of transport only.

(1) CLAUSE PARAMOUNT:

All carriage under this Bill of Lading to or from the United States shall have effect subject to the provisions of the Carriage of Goods by Sea Act of the United States, 46 U.S.C. sections 1300-1315 (hereafter, "COGSA"). Carriage to or from Canada shall have effect under the Carriage of Goods by Water Act of Canada ("COGWA"). All carriage to and from other States shall be governed by the law of any country making the Hague Rules or Hague-Visby Rules compulsorily applicable to this Bill of Lading or if there be no such law, in accordance with the Hague Rules. The provisions of applicable law as set forth above shall apply to carriage of goods by inland waterways and reference to carriage by sea in such Rules or legislation shall be deemed to include reference to inland waterways. Except as may be otherwise specifically provided herein, said law shall govern before the goods are loaded on and after they are discharged from the vessel whether the goods are carried on deck or under deck and throughout the entire time the goods are in the custody of the Carrier.

(2) DEFINITIONS:

2.1 "Vessel" means the intended ocean vessel named on the front hereof and any vessel, craft, lighter or other means of conveyance which is or shall be substituted in whole or in part by the Carrier and also includes any other vessels onto which Goods may be loaded for the purpose of being transported thereon in furtherance of the carriage covered by this Bill of Lading or any part thereof.

2.2 "Carrier" means LF Logistics (China) Co., Ltd., acting as a non-vessel operating common carrier, as defined under the Shipping Act of 1984, 46 U.S.C. § 40102 (16) (A) and (B).

2.3 "Merchant" means any person or entity that at any time, in relation to the Goods, has been or becomes the shipper, consignor, consignee, exporter, importer, the holder of the Bill of Lading and/or the receiver or the owner of the Goods, any person entitled to possession of the Goods, any Person having a present or future interest in the Goods or any Person acting on behalf of any of the above-mentioned Persons, including a Factor or lender.

2.4 "Package" is the largest individual unit of partially or completely covered or contained cargo made up by or for the Shipper which is delivered and entrusted to Carrier, including palletized units and each container stuffed and sealed by the Shipper or on its behalf, although the Shipper may have furnished a description of the contents of such sealed container on this Bill of Lading.

2.5 "Container" includes any container, trailer, transportable tank, flexitank, lift van, flat, pallet, or any similar article of transport used to consolidate Goods.

2.6 "Carrier's container" or "Carrier's equipment" includes containers or equipment owned, leased or used by Carrier in the transportation of Merchant's goods.

2.7 "Charges" includes freight, demurrage, and all expenses and monetary obligations incurred and payable by the Merchant.

2.8 "Goods" mean the cargo described on the face of this Bill of Lading and, if the cargo is packed into container(s) supplied or furnished by or on behalf of the Merchant, include the container(s) as well.

2.9 "Place of Receipt", "Intended Port of Loading", "Intended Port of Discharge" and "Intended Place of Delivery," means respectively the place of receipt, port of loading (ocean vessel), port of discharge (ocean vessel) and place of delivery nominated on the front hereof.

(3) SUBCONTRACTING:

Carrier shall be entitled to subcontract directly or indirectly on any terms the whole or any part of the handling, storage, or carriage of the Goods and all duties undertaken by Carrier in relation to the Goods. Every servant or agent or subcontractor (including sub-subcontractors) of Carrier shall be entitled to the same rights, exemptions from liability, defenses and immunities to which Carrier is entitled. For these purposes, Carrier shall be deemed to be acting as agent or trustee for such servants or agents or subcontractors, that shall be deemed to be parties to the contract evidenced in this Bill of Lading.

(4) ROUTE OF TRANSPORT:

Carrier is entitled to perform the transport in any reasonable manner and by any reasonable means, methods and routes, including transshipments. The Vessel shall have the liberty, either with or without the Goods on board, to at any time, adjust navigational instruments, make trial trips, dry dock, go to repair yards, shift berths, take in fuel or stores, embark or disembark any persons, carry contraband and hazardous goods, sail with or without pilots and save or attempt to save life or property. Delays resulting from such activities shall not be deemed a deviation.

(5) HINDRANCES AFFECTING PERFORMANCE:

5.1 Carrier shall use reasonable endeavors to complete transport and to deliver the Goods at the place designated for delivery.

5.2 If at any time the performance of this contract as evidenced by this Bill of Lading in the opinion of Carrier is or will be affected by any hindrance, risk, delay, injury, difficulty or disadvantage of any kind, including strike, and if by virtue of the above it has rendered or is likely to render it in any way unsafe, impracticable, unlawful, or against the interest of Carrier to complete the performance of the contract, Carrier, whether or not the transport is commenced, may without notice to Merchant elect to: (a) treat the performance of this contract as terminated and place the Goods at Merchant's disposal at any place Carrier shall deem safe and convenient, or (b) deliver the Goods at the place of delivery.

In any event, Carrier shall be entitled to, and Merchant shall pay, full freight for any Goods received for transportation and additional compensation for extra costs and expenses resulting from the circumstances referred to above.

5.3 If, after storage, discharge, or any actions according to sub-part 5.2 above, Carrier makes arrangements to store and/or forward the Goods, it is agreed that it shall do so only as agent for and at the sole risk and expense of Merchant without any liability whatsoever in respect of such agency.

5.4 Carrier, in addition to all other liberties provided for in this Article, shall have liberty to comply with orders, directions, regulations or suggestions as to navigation or the carriage or handling of the Goods or the ship howsoever given, by any actual or purported government or public authority, or by any committee or person having under the terms of any insurance on the Ship, the right to give such order, direction, regulation, or suggestion. If by reason of and/or in compliance with any such order, direction, regulation, or suggestions, anything is done or is not done the same shall be deemed to be included within the contract of carriage and shall not be a deviation.

(6) BASIC LIABILITY:

6.1 Carrier shall be liable for loss of or damage to the Goods occurring between the time when it takes the Goods into its custody and the time of delivery but shall not be liable for any consequential or special damages arising from such loss or damage.

6.2 If it is established that the loss of or damage to the Goods occurred during sea carriage, liability shall be governed by the legal rules applicable as provided in Section 1 of this Bill of Lading.

6.3 Notwithstanding Section 1 of this Bill of Lading, if it is established that the loss or damage to the Goods occurred during carriage by land in the United States, liability shall be governed by the provisions of Section 7.4 of this Bill of Lading.

6.4 Notwithstanding Section 1 of this Bill of Lading, if the loss or damage occurred outside of the United States not during sea carriage and it can be proven where the loss or damage occurred, the liability of Carrier in respect of such loss or damage shall be determined by the provisions contained in any international convention or national law, which provisions:

- 6.5
- (a) cannot be departed from by private contract to the detriment of Merchant, and
 - (b) would have applied if Merchant had made a separate and direct contract with Carrier in respect of the particular stage of transport where the loss or damage occurred and received as evidence thereof any particular document which must be issued in order to make such international convention or national law applicable;
 - (c) where (a) or (b) above do not apply, any liability of Carrier shall be limited to the amount set forth in Section 7.4 of this Bill of Lading.

6.6 If it cannot be determined when the loss of or damage to the Goods occurred, it shall be presumed that such loss or damage occurred during sea carriage and liability shall be governed as provided in Section 6.2 above.

6.7 Carrier does not undertake that the Goods shall be delivered at any particular time or for any particular market and shall not be liable for any direct or indirect losses caused by any delay.

6.8 Notwithstanding anything herein, Carrier shall not be liable for any loss or damage arising from:

- (a) an act or omission of Merchant or person other than Carrier acting on behalf of Merchant from whom Carrier took the Goods in charge,
- (b) compliance with the instructions of any person authorized to give them,
- (c) handling, loading, stowage or unloading of the Goods by or on behalf of Merchant,
- (d) inherent vice of the Goods,
- (e) lack or insufficiency of or defective condition of packing in the case of Goods, which by their nature are liable to wastage or damage when not packed or when not properly packed,
- (f) insufficiency or inadequacy of marks or numbers on the Goods, coverings or unit loads,
- (g) fire, unless caused by actual fault or privity of Carrier,
- (h) any cause or event which Carrier could not avoid and the consequences of which it could not prevent by the exercise of due diligence.

6.9 When any claims are paid to Merchant by Carrier, Carrier shall automatically be subrogated to all rights of Merchant against all others, including Inland Carriers, on account of the losses or damages for which such claims are paid.

6.10 The defenses and limits of liability provided for in this Bill of Lading shall apply in any action or claim against Carrier relating to the Goods, or the receipt, transportation, storage or delivery thereof, whether the action be founded in contract, tort or otherwise.

(7) COMPENSATION FOR LOSS AND DAMAGE:

7.1 Notwithstanding anything herein, unless otherwise mandated by compulsorily applicable law, Carrier's liability for compensation for loss of or damage to Goods shall in no case exceed the amount of US \$500 per package or per customary freight unit, unless Merchant, with the consent of Carrier, has declared a higher value for the Goods in the space provided on the front of this Bill of Lading and paid extra freight per Carrier's tariff, in which case such higher value shall be the limit of Carrier's liability. Any partial loss or damage shall be adjusted pro rata on the basis of such declared value. Where a container is stuffed by Shipper or on its behalf, and the container is sealed when received by Carrier for shipment, Carrier's liability will be limited to US \$500 with respect to the contents of each such container, except when the Shipper declares the value on the face hereof and pays additional charges on such declared value as stated in Carrier's tariff. The freight charged on sealed containers when no higher valuation is declared by the Shipper is based on a value of US \$500 per container. However, Carrier shall not, in any case, be liable for an amount greater than the actual loss to the person entitled to make the claim. Carrier shall have the option of replacing lost Goods or repairing damaged Goods.

7.2 In any case where Carrier's liability for compensation may exceed the amounts set forth in Section 7.1 above, compensation shall be calculated by reference to the value of the Goods, according to their current market price, at the time and place they are delivered, or should have been delivered, in accordance with this contract.

7.3 If the value of the Goods is less than US \$500 per package or per customary freight unit, their value for compensation purposes shall be deemed to be the invoice value, plus freight and insurance, if paid.

7.4 On shipments involving carriage by land in the United States, and for liabilities determined pursuant to Section 6.4(c) of this Bill of Lading, loss of or damage to Goods shall be limited to US \$.50 per pound of Goods lost or damaged, unless a higher value is declared by Shipper and a supplementary charge paid.

7.5 Carrier shall not be liable to any extent for any loss of or damage to or in connection with precious metals, stones, or chemicals, jewelry, currency, negotiable instruments, securities, writings, documents, works of art, curios, heirlooms, or any other valuable goods, including Goods having particular value only for Merchant, unless the true nature and value of the Goods have been declared in writing by Merchant before receipt of the Goods by the Carrier or Inland Carrier, the same is inserted on the face of this Bill of Lading and additional freight has been paid as required.

7.6 Carrier will not arrange for insurance on the Goods except upon express instructions from the Shipper-Consignor and then only at Shipper's-Consignor's expense and presentation of a declaration of value for insurance

purposes prior to shipment.

(8) DESCRIPTION OF GOODS AND INFORMATION FOR U.S. CUSTOMS:

Carrier is responsible for transmitting information to U.S. Customs prior to lading of the Goods including, without limitation, precise commodity descriptions, numbers and quantities of the lowest external packaging unit, the shipper's complete name and address, the consignee's or the owner's or owner's representative's complete name and address, hazardous materials codes, and container seal numbers. For this, and other purposes, Carrier relies on information provided by Merchant. Merchant warrants to Carrier that all particulars of the Goods, including, without limitation, the precise descriptions, marks, number, quantity, weight, seal numbers, identities of shipper and consignee and hazardous materials codes furnished by Merchant are correct and Merchant shall indemnify Carrier against all claims, penalties, losses or damages arising from any inaccuracy.

(9) CARRIER'S CONTAINERS:

If Goods are not received by Carrier already in containers, Carrier may pack them in any type container. Merchant shall be liable to Carrier for damage to Carrier's containers or equipment if such damage occurs while such equipment is in control of Merchant or its agents. Merchant indemnifies Carrier for any damage or injury to persons or property caused by Carrier's containers or equipment during handling by or when in possession or control of Merchant.

(10) CONTAINER PACKED BY MERCHANT:

If Carrier receives the Goods already packed into containers:

1. This Bill of Lading is prima facie evidence of the receipt of the particular number of containers set forth herein and that number only. Carrier accepts no responsibility with respect to the order and condition of the contents of the containers;
2. Merchant warrants that the stowage and seals of the containers are safe and proper and suitable for handling and carriage and indemnifies Carrier for any injury, loss or damage caused by breach of this warranty;
3. Delivery shall be deemed as full and complete performance when the containers are delivered by Carrier with the seals intact; and
4. Carrier has the right but not the obligation to open and inspect the containers at any time without notice to Merchant, and expenses resulting from such inspections shall be borne by Merchant; and
5. Merchant shall inspect containers before stuffing them and the use of the containers shall be prima facie evidence of there being sound and suitable for use.

(11) DANGEROUS GOODS:

11.1 Merchant may not tender goods of a dangerous nature without written application to Carrier and Carrier's acceptance of the same. In the application, Merchant must identify the nature of the Goods with reasonable specificity as well as the names and addresses of the Shippers and Consignees.

11.2 Merchant shall distinctly and permanently mark the nature of the Goods on the outside of the package and container in a form and manner as required by law and shall submit to Carrier or to the appropriate authorities all necessary documents required by law or by Carrier for the transportation of such Goods.

11.3 If the Goods subsequently, in the judgment of Carrier, become a danger to Carrier, the Vessel, or other cargo, Carrier may dispose of the Goods without compensation to Merchant and Merchant shall indemnify Carrier for any loss or expenses arising from such action.

(12) DECK CARGO:

Carrier has the right to carry the Goods in any container under deck or on deck. Carrier is not required to note "on deck stowage" on the face of this Bill of Lading and Goods so carried shall constitute under deck stowage for all purposes including General Average. Except as otherwise provided by any law applicable to this contract, if this Bill of Lading states that the cargo is stowed on deck, then Carrier shall not be liable for any non-delivery, misdelivery, delay or loss to goods carried on deck, whether or not caused by Carrier's negligence or the Vessel's unseaworthiness.

(13) HEAVY LIFT:

13.1 Single packages with a weight exceeding 2,240 pounds gross not presented to Carrier in enclosed containers must be declared in writing by Merchant before receipt of the packages by Carrier. The weight of such packages must be clearly and durably marked on the outside of the package in letters and figures not less than two inches high.

13.2 If Merchant fails to comply with the above provisions, Carrier shall not be liable for any loss of or damage to the Goods, persons or property, and Merchant shall be liable for any loss of or damage to persons or property resulting from such failure and Merchant shall indemnify Carrier against any loss or liability suffered or incurred by Carrier as a result of such failure.

13.3 Merchant agrees to comply with all laws or regulations that may be applicable during the carriage concerning overweight containers and Merchant shall indemnify Carrier against any loss or liability suffered or incurred by Carrier as a result of Merchant's failure to comply with this provision.

(14) DELIVERY:

Carrier shall have the right to deliver the Goods at any time at any place designated by Carrier within the commercial or geographic limits of the port of discharge or place of delivery shown in this Bill of Lading. Carrier's responsibility shall cease when delivery has been made to Merchant, any person authorized by Merchant to receive the Goods, or in any manner or to any other person in accordance with the custom and usage of the port of discharge or place of delivery. If Goods should remain in Carrier's custody after discharge from the Vessel and possession is not taken by Merchant, after notice, within the time allowed in Carrier's applicable tariff, the Goods may be considered to have been delivered to Merchant or abandoned at Carrier's option, and may be disposed of or stored at Merchant's expense.

(15) NOTICE OF CLAIM:

Written notice of claims for loss of or damage to Goods occurring or presumed to have occurred while in the custody of Carrier must be given to Carrier at the port of discharge before or at the time of removal of the Goods by one entitled to delivery. If such notice is not provided, removal shall be prima facie evidence of delivery by Carrier. If such loss or damage is not apparent, Carrier must be given written notice within 3 days of the delivery.

(16) FREIGHT AND CHARGES:

16.1 Freight may be calculated on the basis of the particulars of the Goods furnished by Merchant, which shall be deemed to have guaranteed to Carrier the accuracy of the contents, weight, measure, or value as furnished by it at the time of receipt of the Goods by the Carrier or Inland Carrier, but Carrier for the purpose of ascertaining the actual particulars may at any time and at the risk and expense of Merchant open the container or package and examine contents, weight, measure, and value of the goods. In case of incorrect declaration of the contents, weight, measure and or value of the Goods, Merchant shall be liable for and bound to pay to Carrier:

- (a) the balance of freight between the freight charged and that which would have been due had the correct details been given, plus
- (b) expenses incurred in determining the correct details, plus
- (c) as liquidated and ascertained damages, an additional sum equal to the correct freight.

Quotations as to fees, rates of duty, freight charges, insurance premiums or other charges given by Carrier to Merchant are for informational purposes only and are subject to change without notice and shall not under any circumstances be binding upon Carrier unless Carrier in writing specifically undertakes the handling of transportation of the shipment at a specific rate and that rate is filed in Carrier's tariff or pursuant to a negotiated rate agreement or NVOCC service arrangement.

16.2 Freight shall be deemed earned on receipt of Goods by Carrier, the Goods lost or not lost, whether the freight be intended to be prepaid or collected at destination. Payment shall be in full and in cash without any offset, counterclaim, or deduction, in the currency named in this Bill of Lading, or another currency at Carrier's option. Interest at 1% per month shall run from the date when freight and charges are due. Payment of freight charges to a freight forwarder, broker or anyone other than directly to Carrier shall not be deemed payment to the Carrier. Merchant shall remain liable for all charges hereunder notwithstanding any extension of credit to the freight forwarder or broker by Carrier. Full freight shall be paid on damaged or unsound goods.

16.3 Merchant shall be liable for all dues, duties, fines, taxes and charges, including consular fees, levied on the Goods. Merchant shall be liable for return freight and charges on the Goods if they are refused export or import by any government. Merchant shall be liable for all demurrage or detention charges imposed on the Goods or their containers by third parties.

16.4 The shipper, consignor, consignee, exporter, importer, the holder of the Bill of Lading and/or the receiver or the owner of the Goods, any person entitled to possession of the Goods, any Person having a present or future interest in the Goods or any Person acting on behalf of any of the above-mentioned Persons, including a factor or lender shall be jointly and severally liable to Carrier for the payment of all freight and charges, including advances and shall, in any referral for collection or action for monies due to Carrier, upon recovery by Carrier, pay the expenses of collection and litigation, including reasonable attorneys' fees. This provision shall apply regardless of whether the front of this Bill of Lading has been marked "prepaid" or "freight prepaid" so long as freight and charges remain unpaid.

16.5 The shipper, consignor, consignee, exporter, importer, the holder of the Bill of Lading and/or the receiver or the owner of the Goods, any person entitled to possession of the Goods, any Person having a present or future interest in the Goods or any Person acting on behalf of any of the above-mentioned Persons, including a factor or lender shall jointly and severally indemnify Carrier for all claims, fines, penalties, damages, costs and other amounts which may be incurred or imposed upon Carrier by reason of any breach of any of the provisions of this Bill of Lading or of any statutory or regulatory requirements.

(17) LIEN:

The Carrier shall have a general lien on all property (and documents relating thereto) of Merchant, in its possession, custody or control or in route, for all claims for Charges, expenses or advances incurred by Carrier in connection with any shipments of Merchant. If such claim remains unsatisfied after demand for its payment is made, Carrier shall be entitled to sell the goods privately or by auction, without prior notice to the Merchant, as may be necessary to satisfy such lien and the costs of recovery and apply the net proceeds of such sale to the payment of the amount due Carrier. Any surplus from such sale shall be transmitted to Merchant, and Merchant shall be liable for any deficiency in the sale. The Carrier's general lien shall be in addition to any other rights the Carrier has or may acquire under other agreements and/or applicable law, and Carrier's general lien shall survive delivery or release of any specific property of the shipper, consignee and merchant as defined in Carrier's bill of lading.

(18) WAREHOUSEMAN LIEN:

If Goods go into demurrage, Carrier shall assume all rights of a warehouseman, and this Bill of Lading shall constitute a warehouseman's non-negotiable receipt. Goods will be delivered to the consignee or other Person(s) entitled to receipt of the goods upon payment of all Charges due. If Goods are not claimed within ten (10) days after demurrage commences, Carrier may exercise its warehouseman's right to sell or auction such Goods. Carrier may assert a general lien for Charges and expenses in relation to other Goods, whether or not these Goods have been delivered by Carrier.

(19) TIME BAR:

Carrier shall be discharged from all liability for loss of or damage to Goods unless suit is brought within one (1) year after delivery of the Goods or the date when the Goods should have been delivered. Suit shall not be deemed brought against Carrier until jurisdiction shall have been obtained over Carrier by service of summons. The time bar for overcharge claims shall be 36 months.

(20) LAW AND JURISDICTION:

Any claim or dispute arising under this Bill of Lading shall be determined exclusively according to the laws of the United States and the Merchant agrees that any suits against the Carrier shall be brought in the United States District Court for the Southern District of New York, which shall have exclusive jurisdiction. The Carrier shall be entitled to avail itself of all the terms and conditions of onward carriers, including such Carriers' forum selection and limits of liability. Carrier reserves the right to bring suit against the Merchant for the collection of freight or other charges in any venue having jurisdiction over Merchant.

(21) GENERAL AVERAGE:

21.1 General Average shall be adjusted at New York, or any other port at Carrier's option, according to the York-Antwerp Rules of 1994. The General Average statement shall be prepared by adjusters appointed by Carrier.

21.2 In the event of accident, damage, danger or disaster after commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not, for the consequence of which Carrier is not responsible by statute, contract or otherwise, Merchant shall contribute with Carrier in General Average to the payment of any sacrifice, loss or expense of a General Average nature that may be made or incurred, and shall pay salvage or special charges incurred in respect of the Goods. If a salvaging vessel is owned or operated by Carrier, salvage shall be paid for as fully as if the salvaging vessel or vessels belonged to strangers.

(22) BOTH-TO-BLAME COLLISION CLAUSE:

If the Vessel comes into collision with another vessel as a result of negligence of the other vessel and any negligence or fault on the part of Carrier or its servants or subcontractors, Merchant shall indemnify Carrier against all loss or liability to the other or non-carrying vessel or its owners, insofar as such loss or liability represents loss of, or damage to, or any claim whatsoever of Merchant paid or payable by the other or non-carrying vessel or its owners to Merchant and set-off, recouped or recovered by the other or non-carrying vessel or her owners as part of their claim against the carrying ship or her owner. This provision shall apply as well where the owners, operators or those in charge of any ship or ships or objects other than, or in addition to, the colliding ships or objects are at fault with respect to a collision or contact.

(23) CARRIERS' TARIFFS:

The Goods carried under this Bill of Lading are also subject to all the terms and conditions of the tariff(s) published pursuant to the regulations of the United States Federal Maritime Commission or any other regulatory agency which governs a particular portion of the carriage and the terms are incorporated herein as part of the terms and conditions of this Bill of Lading. Copies of the Carrier's tariff(s) may be obtained from Carrier or its agents or Carrier's web-site. In the case of inconsistency between this Bill of Lading and the applicable tariff or the terms and conditions of service, this Bill of Lading shall prevail, with the exception that any regulations relating to Negotiated Rate Arrangements ("NRA") contained in Carrier's Rules Tariff, the NRA regulation(s) shall prevail.

(24) PERISHABLE CARGO:

24.1 Goods of a perishable nature shall be carried in ordinary containers without special protection, services or other measures unless there is noted on the reverse side of this Bill of Lading that the Goods will be carried in a refrigerated, heated, electrically ventilated or otherwise specially equipped container or are to receive special attention in any way. Carrier shall not be liable for any loss of or damage to Goods in a special hold or container arising from latent defects, breakdown, or stoppage of the refrigeration, ventilation or heating machinery, insulation, ship's plant, or other such apparatus of the Vessel or container, provided that Carrier shall before or at the beginning of the transport exercise due diligence to maintain the special hold or container in an efficient state.

24.2 Merchant undertakes not to tender for transportation any Goods which require refrigeration without given written notice of their nature and the required temperature setting of the thermostatic controls before receipt of the Goods by Carrier. In case of refrigerated containers packed by or on behalf of Merchant, Merchant warrants that the Goods have been properly stowed in the container and that the thermostatic controls have been adequately set before receipt of the Goods by Carrier.

24.3 Merchant's attention is drawn to the fact that refrigerated containers are not designed to freeze down cargo which has not been presented for stuffing at or below its designated carrying temperature. Carrier shall not be responsible for the consequences of cargo tendered at a higher temperature than that required for the transportation.

24.4 If the above requirements are not complied with, Carrier shall not be liable for any loss of or damage to the Goods whatsoever.

(25) SEVERABILITY:

If any provision in this Bill of Lading is held to be invalid or unenforceable by any court or regulatory or self-regulatory agency or body, such invalidity or unenforceability shall attach only to such provision. The validity of the remaining provisions shall not be affected thereby, and this Bill of Lading contract shall be carried out as is such invalid or unenforceable provisions were not contained herein

(26) VARIATION OF THE CONTRACT:

No servant or agent of Carrier shall have power to waive or vary any of the terms hereof unless such variation is in writing and is specifically authorized or ratified in writing by Carrier.

(27) SURRENDER AND NEGOTIABILITY OF BILL OF LADING:

This Bill of Lading shall be non-negotiable unless made out "to order," in which event it shall be negotiable and shall constitute title to the Goods and the holder in due course shall be entitled to receive or to transfer the Goods herein described. If required by the Carrier, the Bill of Lading, duly endorsed, must be surrendered to the agent of the Carrier at the port of discharge, in exchange for delivery order. This Bill of Lading shall be prima facie evidence of the Carrier's receipt of the Goods as herein described. However, proof to the contrary shall not be admissible when this Bill of Lading has been negotiated or transferred for valuable consideration to a third party acting in good faith.

Rule 14: Co-Loading in Foreign Commerce

Effective: 15AUG2019

Expire Date: NONE

Published: 15AUG2019

Definition: Pursuant to 46 CFR §520.2, "Co-Loading" means the combining of cargo by two or more NVOCCs for tendering to an ocean common carrier under the name of one or more of the NVOCCs.

(1) The Carrier from time to time may tender cargo for co-loading.

(2) The Carrier enters into carrier-to-carrier relationships for the co-loading of cargo with the following NVOCCs from time to time:

(3) If Carrier enters into a co-loading arrangement which results in a shipper-to-carrier relationship as a tendering NVOCC Carrier shall be responsible to pay any charges for the transportation of the cargo.

(4) A shipper-to-carrier relationship shall be presumed to exist where Carrier issues a bill of lading to the tendering NVOCC for carriage of the co-loaded cargo unless Carrier and the tendering NVOCC enter a Carrier-to-Carrier Agreement in which case the presumption of a formation of a Carrier to Shipper relationship is rebutted. Carrier's NRA procedures shall be applicable to all co-loading NVOCCs tendering cargo to Carrier as a shipper.

(5) In case of co-loading, under either a carrier-to-carrier or shipper-to-carrier relationship, Carrier shall notify shipper of such co-loading action and shall annotate each Bill of Lading with the identity of any other NVOCC with which its shipment has been co-loaded. Such annotation shall be shown on the face of the applicable Bill of Lading issued by Carrier.

(6) If cargo is accepted by Carrier from another NVOCC which tenders that cargo in the capacity of a shipper, NRA procedures shall apply.

Carrier will compare declarations on all documentation provided at the time of shipment for possible errors; however, it is, and shall remain, the sole responsibility of the Shipper to ensure that all such documentation is correct and complete. Further, it is the Shipper's responsibility to ensure that all pieces, packages and units in the shipment are clearly and properly marked with the required labels and placards.

Rule 26: Container Weight Regulations (SOLAS)

Effective: 15AUG2019

Expire Date: NONE

Published: 15AUG2019

1. Upon tender of cargo to Carrier Shipper shall provide to Carrier a Shipper Actual Gross Mass Verification ("VGM") which meets the requirements of the International Maritime Organization (IMO) per its Guidelines relating to the Safety of Life at Sea Convention (SOLAS) for the export of containerized cargo.

2. If a Shipper does not provide a satisfactory VGM to Carrier prior to tendering the cargo to Carrier, Carrier has the right to refuse to accept such cargo until one is provided to Carrier or if Carrier does accept container(s) from Shipper it may lawfully opt to not deliver the container(s) to the ocean terminals for loading on a vessel until it does receive a satisfactory VGM.

3. At Carrier's sole option, Carrier can arrange to obtain a VGM on Shipper's behalf provided that Carrier agrees to do so in writing and by Shipper providing an executed written authorization for Carrier to do so in a format acceptable to Carrier whereby Carrier agrees to act as an agent on Shipper's behalf solely for that purpose. Accepting that function shall not otherwise alter Carrier's relationship as an independent contractor as Carrier. In the event that Carrier agrees to provide this service Carrier shall charge Shipper a VGM fee as stated in each individual NRA.
4. VGM's provided by the Shipper to Carrier shall have been obtained from either Method 1 as described by SOLAS, which requires that the full container load was weighed after it was packed, and/or Method 2 which requires weighing all the cargo and contents of the container and adding the tare weight of the container as indicated on the door of the container.
5. Whether Method 1 or Method 2 is utilized by the Shipper, for the shipper's weight verification to be compliant with the SOLAS requirement, it must be "signed", meaning a specific person representing the shipper is named and identified as having verified the accuracy of the weight calculation on behalf of the shipper. Identification of the person signing requires that their full name, address, and phone number/e-mail address be provided.
6. Method 2 shall not be allowed by Carrier for scrap metal, un-bagged grain and other cargo in bulk "that "do not easily lend themselves to individual weighing of the items to be packed in the container"
7. Carrier will not accept estimates of weight, and the weighing equipment used must meet national certification and calibration requirements. Further, the party packing the container cannot use the weight somebody else has provided, except that individual, original sealed packages that have the accurate mass of the packages and cargo items (including any other material such as packing material and refrigerants inside the packages) are clearly and permanently marked on their surfaces.
8. If containers are delivered to the piers/terminals by the Carrier without a satisfactory VGM and the load port has appropriate weighing facilities, all charges, fees, and or penalties with respect to weighing subject container shall be for the account of the Shipper.
9. Carrier shall not be responsible for charges, fees, penalties or other claims for containers for which a verified weight was provided prior to loading in a preceding load port and which may be loaded in transshipment ports which may require another VGM whether or not the SOLAS Guidelines do not require such re-weighing.
10. Shippers who tender less-than-container load ("LCL"), whether beneficiary cargo owners, or non-vessel operating common carriers shall similarly provide VGMs for cargo tendered to Carrier loading facilities, and are subject to all weight regulations herein.
11. Shipper shall be responsible for all charges and fees from ocean carriers and/or terminals resulting from any VGMs provided by Shipper and/or third parties, or for any other reason whatsoever, including demurrage, detention, per diem, related to ocean carriers' and terminals' implementation of SOLAS.
